# 1. Welcome and Organisation

## Key rules

- The HRD Training Center was founded in 2013 and is located on Street 562 in Phnom Penh.
- The center trains about 120 students every year across three generations.
- The organisation has four departments: Academic, Operations, Finance and Student Affairs.
- The head of the Academic department reports to the Center Director every Monday at 9:00.

## Notes

Our mission is to prepare young Cambodians for careers in software development.

Every new staff member receives this handbook on the first working day and signs the acknowledgement form within one week.

# 2. Working Hours and Attendance

## Key rules

- Office hours are 8:00 to 17:00, Monday to Friday, with a lunch break from 12:00 to 13:00.
- Arriving after 8:15 is recorded as late; three late arrivals in one month count as one day of absence.
- Staff check in with the fingerprint scanner at the main entrance.
- Remote work is allowed up to two days per month with approval from the department head.

## Notes

Overtime must be approved in advance and is compensated with time off, not money.

Attendance reports are generated automatically on the last working day of each month.

# 3. Leave Policy

## Key rules

- Full-time staff receive 18 days of annual leave per year.
- Sick leave of up to 7 days is paid; a medical certificate is required for absences longer than 2 days.
- Maternity leave is 90 days at full pay; paternity leave is 5 working days.
- Leave requests must be submitted at least 3 working days in advance through the HR portal.

## Notes

Unused annual leave can be carried over to the next year up to a maximum of 6 days.

Public holidays follow the official calendar of the Royal Government of Cambodia.

# 4. Staff Allowances

## Key rules

- Transportation allowance is 30 USD per month for all full-time staff.
- Internet allowance is 15 USD per month for staff who work remotely.
- Staff who use a personal laptop receive a laptop allowance of 20 USD per month.
- Allowances are paid together with the salary on the 25th of each month.

## Notes

Part-time instructors receive allowances in proportion to their teaching hours.

Allowance amounts are reviewed by the Finance department every January.

# 5. Training Programs

## Key rules

- The Basic Course lasts 4 months and covers Java, databases and web fundamentals.
- The Advanced Course lasts 6 months and covers Spring Boot, Next.js, DevOps and AI services.
- Each generation accepts a maximum of 40 students for the Basic Course.
- Classes run from 8:30 to 16:30 with two practical lab sessions per day.

## Notes

Students who complete the Advanced Course take part in a final team project with real clients.

The selection exam for new students is held twice a year, in March and September.

# 6. Assessment and Grading

## Key rules

- The pass mark for every course is 60 percent.
- The final grade is weighted as follows: final project 40 percent, monthly tests 35 percent, attendance 10 percent, homework 15 percent.
- Students who score below 50 percent in two monthly tests receive an academic warning.
- Final project presentations are evaluated by a panel of three instructors.

## Notes

Grades are published on the student portal within 10 working days after each test.

Students may request a re-evaluation within 5 working days after grades are published.

# 7. IT and Information Security

## Key rules

- Passwords must be at least 12 characters long and changed every 90 days.
- Two-factor authentication is mandatory for email, the HR portal and the source code server.
- Access to internal systems from outside the office requires the company VPN.
- Security incidents must be reported to the IT team within 24 hours.

## Notes

Staff must not install unlicensed software on company computers.

Backups of the student database run every night at 01:00 and are kept for 30 days.

# 8. Equipment and Facilities

## Key rules

- Company laptops must be returned to the IT office within 5 working days after the end of a contract.
- Meeting room A holds 12 people and meeting room B holds 6 people; both are booked through the shared calendar.
- The computer lab has 45 workstations and is open until 20:00 on weekdays.
- Damaged equipment must be reported to Operations on the same day.

## Notes

Printing is limited to 200 pages per staff member per month.

The building is closed on Sundays except for scheduled exams.

# 9. Code of Conduct and Discipline

## Key rules

- Staff are expected to treat students and colleagues with respect and professionalism.
- The disciplinary process has three steps: verbal warning, written warning, and final warning.
- A fourth violation after a final warning may lead to termination of the contract.
- Gifts from students or their families worth more than 20 USD must be declined.

## Notes

Conflicts of interest must be declared to HR in writing.

Harassment of any kind is reported confidentially to the Student Affairs department.

# 10. Contacts and Frequently Asked Questions

## Key rules

- HR can be reached by email at hr@hrd-center.example or by phone at extension 105.
- The IT help desk is on the second floor, room 204, and is open from 8:00 to 17:30.
- Payslips are available in the HR portal on the 25th of each month.
- Questions about this handbook should be sent to the HR manager.

## Notes

This handbook is reviewed every year in December and takes effect on 1 January.

Version: 2026.1 - approved by the Center Director.
